

2012 SPEC RACER CHALLENGE

DECAL AND PATCH PLACEMENT DIAGRAM

Current as of January 1, 2012. SUBJECT TO REVISION.

Per USERA Rules, decals and patches are **REQUIRED** to be placed as defined in this diagram.

Note: Decals from other racing groups **MUST** be removed or covered.

UNIFORM PATCHES:

DRIVER: **Required** Front Right or Left as shown (left is preferred).

CREW: Optional, but recommended.

USERA:

Left Side, Right Side and Front as shown. Note that there are LEFT and RIGHT versions (flames point to rear). Either decal may be used on the nose and rear (optional) of the car.

NUMBERS:

8" or larger with 1.5" stroke on each side. 4" or higher on front. Front numbers may be placed anywhere provided they are easy to see from ground level.

OTHER DECALS:

Decals from **ALL** other racing groups must be removed or covered. "SCCA Enterprises" decals may remain on the car.
